* *Space between Figures, 18 miles.*

To Find Marion County in Indiana.

Put a finger to the figure 8 in the Key to Space on the left of the Map, then run straight east until the finger is under 6 in the Key to Space at top; the finger will then be in Marion county on the Map.

The location of every county and post office is shown in like manner.

EXPLANATION.—Lines drawn from the number of the Key on the left hand, and the number from the top of the Map, will cross in the county represented by them.

These numbers are taken and placed opposite that county, in the alphabetical list, and show its locality in a moment.

* Space between Figures, 18 miles.

EXPLANATION.—Lines drawn from the number of the Key on the left hand and the number from the top of the Map, will cross in the county represented by them. These numbers are placed between the name of the post office and the county in which it is located, and show its location by the key without the map—the figures attached to each county also belong to all post offices in that county.
